

1 person: Sketch a map that illustrates the geography of your family and indicate what aspect of their homelife you would like to see.

Grid area for sketching a map.

2 people : Imagine you could see into your family home right now. What is it about your home that you wish to see and how? Is it a panorama, close up or a particular point of view? Show this in a photo.

Grid area for drawing a photo of a home.

4 people : Generate as many ideas as you can about innovative communication technologies for families.
